Querido Mi amigo: me parece peligrosa su permanencia en ese Pueblo en Taron aq. las fuerzas de Tucuman, y Catamarca marchando en num.º de mil hombres, sobre Santiago y segun las comunicaciones q. estan llegando al Presd. de Córdova, ya han sido tomadas en Córdova, por parte de B. Ayud. y murdo contra Córdova, y ental caso se debe temer algun movimiento en ese Pueblo q. por ultimidad en cuyo caso, no esta seguro su cuello, lo q. comunico a V. q. q. trate de ponerse en salvo persona e intereses, y no espere momentos de apuro q. esta obra.

1. The first thing I noticed when I stepped  
 out of the car was a warm blanket of  
 sun on my face. It felt like a long  
 embrace from a friend. The air was  
 crisp and clean, a stark contrast to the  
 smoggy atmosphere of the city I had  
 just left. I took a deep breath, savoring  
 the scent of pine and the promise of a  
 new beginning.
